Clean your Grill Grates Faster than you Ever Thought Possible – *Really!*

Grilling is fun, but getting those grates clean afterward can leave a lot to be desired –

...unless you have the right equipment at hand.

The _____ Grill Brush makes short work of cleaning your grill with a revolutionary new design that gets your grill clean in a fraction of the time compared to traditional grill brushes.

The _____ brush easily gets into places that other brushes don't. At the same time, it covers a larger area than traditional brushes.

The result? Your grill grates are cleaner much faster, leaving you to actually enjoy the experiencing of grilling with family and friends!

Highest-rated benefits of this brush include:

- No more buying brush after brush! Stainless steel bristles don't rust or corrode and easily outlast copper bristle brushes, and the reinforced handle means this brush will last a surprisingly long time.
- Cleaning your grill is shockingly fast! Innovative design gets into corners and covers more area than traditional brushes, making cleanup a breeze.
- Stop taking as long to clean the brush as you did to cook your dinner! Open bristles give you easy, clog-free cleaning with fast clean-up in the dishwasher.
- Don't burn or tire your hands! The extra long, ergonomic, 18" handle makes grill cleaning a comfortable, safe experience.
- Discover mouth-watering new favorite barbecue recipes in the **free recipe book** included in the package.
